**EXHIBITION HEALTH REQUIREMENTS
FOR POULTRY,**

OUT-OF-STATE POULTRY

1. All poultry, which includes game birds, quail, pheasants, peafowl, turkeys, and waterfowl shall have originated from a US Pullorum clean flock or have had a negative pullorum test within ninety (90) days of entry. All turkeys shall also have originated from a US MG clean flock or have had a negative MG test within thirty (30) days of entry. All the preceding information must be documented on a valid certificate of veterinary inspection, NPIP flock certification form or similar certificate. These forms must indicate that the flocks from which the eggs or chicks originated have been tested for pullorum disease and were free of reactors; or, any eggs or chicks or poultz produced under the supervision of the National Poultry Improvement Plan will be deemed to have met with the requirements of these regulations, provided all of the requirements of NPIP are complied with and applicable NPIP forms accompany birds. All non-certified poultry must be individually identified, either by a permanent leg or wing band or tattoo. Wraparound plastic bands are not acceptable. NPIP certified flocks of turkeys, chickens, and domesticated fowl entering on a VS 9-3 or NPIP flock certification form or similar certificate are exempt from the requirement of a certificate of veterinary inspection unless a state of emergency has been declared.

ARKANSAS POULTRY

An official representing the exhibition shall notify the state veterinarian no later than thirty (30) days prior to the exhibition, giving names, place, inclusive dates, and time of the event. The requirements are as follows:

1. All in-state poultry, which includes domesticated game birds, quail, pheasants, peafowl, guineas, and turkeys, present at exhibition in Arkansas shall have originated from U. S. Pullorum-Typhoid Clean or equivalent flocks or have had a negative pullorum-typhoid test within ninety (90) days of the movement to the exhibition (pullorum-typhoid testing on fairgrounds during the fair is prohibited.) This information will be documented on a NPIP Form VS 9-3, 90-Day Certificate, NPIP Flock Certification Form or similar certificate that will accompany the poultry during exhibition.
2. All non-certified birds must be banded (leg or wing band), with a sealed band. Wraparound plastic bands are not acceptable. In-state waterfowl are exempt from pullorum-typhoid requirements.
3. Any poultry showing evidence of infectious or contagious disease or insect infestation will not be permitted to exhibit.
4. Record Keeping - The sponsor of the exhibition shall compile a list of all poultry present at exhibition. This list shall contain the name and address of each owner, the number, the species, breed, variety, type, sex, and pullorum-typhoid status of all poultry present. A copy of this shall be retained by the sponsor of the exhibition for at least twelve (12) months.

NOTE: ALL Entries must be Accompanied by

A Copy of your NPIP Flock Certificate or, a copy of your 9-2 Test Certificate.
